A donation ceremony was held at CEIBS Beijing Campus on September 5 to mark the naming of a discussion room for members of the Beijing EMBA 2013 Class who invested RMB380,000 in their alma mater. Meanwhile, graduating students from two EMBA 2013 Classes in Shenzhen invested RMB150,000 to support the CEIBS Research Fund. A ceremony to mark their investment was held on October 17 in Shenzhen.

For CEIBS eLab

On January 14, Zero2IPO Partner, Sanluwu Group CEO, 365 Crowd Innovation Town Founder Wang Zhonghui and Maiteng Crowd Innovation Founding Partner Yu Jianghong donated RMB3,000,000 to CEIBS Education Foundation to support the eLab programme. This follows their previous contribution of RMB30,000,000 to establish ChairMan Capital as special seed funding for the eLab. The money will be specifically invested in start-ups by CEIBS alumni.

Fashionable Faculty

Several CEIBS professors modelled their new bespoke suits courtesy of Ningbo Youngor Group following a January 8 donation ceremony to thank the alumni company for its generous support. The company's General Manager Li Hanqiong (EMBA 2008) signed the donation agreement along with CEIBS Vice President and Co-Dean Zhang Weijiong. The venue was the Shanghai Campus.
