To educate responsible leaders versed in “China Depth, Global Breadth”.

To become the most respected international business school in the world by linking China and the rest of the world in teaching, research, and development through high-impact knowledge creation and dissemination.
Message of Thanks

It is time again for us to present the Annual Report. In the extraordinary year of 2022, the CEIBS community has gone through thick and thin with grit and determination, achieving fruitful results. The CEIBS Global EMBA program has been ranked #2 in the world for three consecutive years in the latest FT EMBA rankings, while the CEIBS Full-time MBA program has been ranked #1 in Asia for seven consecutive years in the latest FT MBA rankings. These achievements would not have been possible without the resilience and dedication of the CEIBS community.

Last year, our alumni fully embodied the CEIBS motto of “Conscientiousness, Innovation and Excellence” in the midst of unprecedented external turbulence. They were able to buck the trend of recession in their respective industries to drive China’s innovation-based economic transformation. They continued to feature prominently on major business lists and shared their perspectives on trending topics at CEIBS online and offline events. When pandemics and disasters struck, they responded quickly, connecting resources to affected communities.

It is in the blood of our alumni to support and give back to CEIBS. In 2022, the CEIBS Education Foundation received donations from 833 alumni, 19 classes and 21 alumni organizations. In addition, in 2022, we made August 18 the annual CEIBS Giving Day; in a bold move to foster a culture of giving within the CEIBS community, we launched the “Monthly Giving Scheme” to encourage alumni, in support of the CEIBS community.

An ancient Chinese proverb says that if you climb a hill and don’t back away from the steep paths, you will eventually reach the top. The school remains committed to creating and sharing modern management knowledge while promoting corporate social responsibility. The passion and dedication of our alumni will continue to inspire us as we pursue our goal of making CEIBS “the most respected business school in the world”.

In the face of unprecedented changes in a century, we hope CEIBS will continue to contribute to the economic development of China and the world through academic research and talent development. We alumni should take concrete actions to support the School’s growth, and making monthly donations is a sure way to show our commitment. Together, let’s give for a better CEIBS!

My bond with my alma mater grows stronger as I take part in its development through donation. The monthly giving initiative is a string that links the alumni who care for the School, like pearls on a necklace. I hope this necklace will be graced with more pearls and glow more brightly.

CEIBS Giving Day

To exemplify social responsibility education and foster a culture of giving, the School made August 18th the annual CEIBS Giving Day in 2022, an innovative initiative among business schools.
