

Recruiter's Guide for MBA2026 Summer Internship Program

The CEIBS MBA program is a 16-month program. Our MBA2026 Class started in August 2024 and ends in March 2026. 120 students from this class will be available for full-time internship for 11 weeks between Jun. 23rd and Sep. 5th, 2025. It is also possible for students to start before, or continue after, the official summer internship period, based on the mutual agreement of both parties. Planning ahead for the summer internship program will lead to successful talent hiring.

Typical MBA Internship Program

MBA students are mainly targeting internship programs that give them hands-on experience and exposure to decision makers. Along with enriching their professional expertise, many students intend to build industry insights through the program.

Internships might cover strategic planning, investment analysis, financial analysis/forecast, marketing planning, business/process re-engineering or projects co-initiated by the company and the MBA intern(s).

Value of the Internship Program to Your Organization

- ***Immediate and productive contributions to your organization:*** CEIBS MBA students possess advanced business knowledge, solid hard and soft skills, maturity and problem-solving capabilities to work on a variety of duties, responsibilities and/or special projects. They often bring unique and fresh perspectives to organizations.
- ***Short-term and cost-effective talent:*** Hiring a CEIBS MBA student to work on special projects is significantly less expensive as compared to hiring an external consultant with comparable level of knowledge and skills.
- ***Effective approach to prospective full-time hirings:*** Organizations can take the internship as a probationary period to evaluate whether they will offer the MBA intern a full-time position upon completion of the internship.

How to Implement the Internship Program?

Intern Selection:

- **Job Postings:** Please reach out to the respective CDC consultant who will review and release the internship position(s) via our career portal. For new recruiting companies, please complete and send the [Job Posting Request Form](#) (or your JD) to cdc@ceibs.edu.
- **Company Presentation:** Company Presentations or Information Sessions can be arranged on CEIBS Shanghai Campus. These give organizations a dedicated platform that increases the chances to attract and engage the most qualified students.
- **Mini Bio:**
 - You may also contact us for hard copies or e-version of the MBA2026 Mini Bio.
- **Interview:**
 - Employers have the discretion to conduct interviews and shortlist candidates.
 - Interviews can be held on campus, at your office, or virtually.
